About the role

As a volunteer Cooking Project Leader you'll induct volunteers into the kitchen, facilitate the team, create recipe ideas, and lead on the preparation and cooking of the meal.

Responsibilities include:

- Running cooking sessions, leading a team of volunteers to create a three-course meal in a limited timeframe.
- Ensuring the team are following the food safety procedures set out in our kitchen handbook.
- Inducting new volunteers into the kitchen.
- Encouraging the whole team to have input into planning a tasty, healthy, and nutritionally balanced menu.
- Communicating with other Cooking Project Leaders and your Project's Surplus Food Coordinator(s) to ensure the store of dry/tinned goods is kept tidy and well stocked.
- Completing the weekly checklist in the kitchen handbook, and the weekly session report via the Project Leader portal.

You don't need to have any previous cooking experience – you just need to love food and motivating people!

About FoodCycle

Week in, week out we nourish the hungry and lonely in our communities with delicious meals and great conversation, using food which would otherwise go to waste.

FoodCycle aims to:

- Connect communities
- Support mental health and wellbeing
- Nourish the hungry
- Promote sustainability
- Inspire change

A FoodCycle project is where the magic happens. Each Project is run on the ground by a team of 8 or more lead volunteers called Project Leaders, with each leader taking on a specific role to ensure the smooth running of their FoodCycle Project. These people are passionate, committed and want to make a positive change within their community. They take ownership and make decisions about the day-to-day running of their Project.

Skills you'll learn

- ✓ **Teamwork:** you'll work as part of a team to prepare a delicious meal and serve it to our guests.
