

# Hosting Volunteer

## About the role

As a Hosting Volunteer you'll support the hosting team in creating a warm, welcoming environment for our guests. You'll serve food, share a meal with our guests, encourage conversation, and clear up after the meal. You'll be supported by a FoodCycle Project Leader, who will help you to develop your hosting skills.

You don't need to have any previous experience – you just need to get stuck in!

## About FoodCycle

Week in, week out we nourish the hungry and lonely in our communities with delicious meals and great conversation, using food which would otherwise go to waste.

### FoodCycle aims to:

- Connect communities
- Support mental health and wellbeing
- Nourish the hungry
- Promote sustainability
- Inspire change

A FoodCycle project is where the magic happens. Each Project is run on the ground by a team of 8 or more lead volunteers called Project Leaders, with each leader taking on a specific role to ensure the smooth running of their FoodCycle Project. These people are passionate, committed and want to make a positive change within their community. They take ownership and make decisions about the day-to-day running of their Project.

## Skills you'll learn

- ✓ **Teamwork:** you'll work as part of a team to prep the venue, serve a delicious meal, and clear up afterwards.
- ✓ **Relationship building:** you'll build lasting relationships with guests, ensuring they come back each week.
- ✓ **Hosting:** you'll support front of house duties, serving food and demonstrating good customer service skills.
